Subj: Use of Reflective Vests for Traffic Control

## **Directive 10-1**

Effective immediately, when our non sworn personnel are directing traffic or manning barricades, while their primary purpose is controlling and directing traffic, we will have them wear the reflective vests. The vests provide a higher level of visibility and in turn safety to our personnel. We will continue to provide the safest working conditions for our staff and continue to look for ways to improve our safety and effectiveness.

I am looking for different vests for the Police Officers that will identify them as "POLICE" and will issue them as soon as they can be purchased.
