Taking an online class at <Campus> and there may be a number of differences in how our online course is delivered as compared to your campus

1. Our courses use our technology platform called <Platform>. You can become familiar with the platform by completing our tutorial at <URL>.
2. You will get access to <Portal Name> through the student portal <URL>. To access <Portal Name>, you must set up your <Portal Name> account at <URL>. If you should experience problems with accessing the portal, contact the <IT Supprt Services?>.
3. You have access to all our library resources and you can explore our online library services at <URL>.
4. Our Bookstore can provide you the course materials you need for your class. Go to <URL> for more information.
5. The CSU also provides you a free online library on supplemental learning resources – www.merlotx.org. You are welcome to explore and use these free resources to help you learn.
6. If you need to ask questions about using our technologies, you can call our Student Tech Center at <Phone #>. The HelpDesk is open <Hours>.
7. The CSU is committed to providing an electronic environment that is accessible to everyone, including individuals with disabilities. If you encounter any accessibility problems and need assistance, please contact <DSS URL or Email>.
8. If you need a tutor or information to help improve your study skills for your Fully Online course, <Campus> has a Learning Assistance Center. You can learn more about our Learning Assistance Center at <URL>.
