### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. Awards from successful proposals help fund educational, research, and service activities that benefit students, teachers, small businesses, and members of the California State University, Bakersfield (CSU Bakersfield or the University) community. The following comments are brief descriptions of a select number of proposals representative of the proposed activities and operations of the Organization. They are highlights of proposals submitted by each school with support from the Sponsored Programs Development Office in Grants, Research & Sponsored Programs (GRASP).

While the federal share of revenue decreased from 69 to 62 percent, state share of revenue remained constant at 10 percent and local share of revenue reflected no change at 5 percent. The decrease in the federal share is due to the Teacher Quality Program (TQP) grant activity reduction of \$250 thousand and the closure of the Crossing Borders grant equating to a decrease of \$13 thousand. The increase in other revenue from 6 to 13 percent is primarily due to a transfer from the University to the Organization of \$455 thousand.

### **Expenses**

Overall expenses represent costs related to administering the grants awarded. These expenses can be classified into payroll and non-payroll related expenses. Payroll related expenses total \$4.3 million, whereas \$4.1 million relates to non-payroll grant expenses. General and administrative expenses consist of expenditures related to faculty-release time and reimbursements to the University for business and administrative services. General and administrative expenses decreased by \$44 thousand from \$792 thousand to \$748 thousand. This is mainly due to a decrease in services from other agencies and small equipment categories. The small equipment decrease is primarily driven by grant software expense in the prior year.

### **Factors Bearing on the Organization's Future**

The Sponsored Programs Development Office in GRASP is developing strategies and refining procedures to assist faculty and staff with generation and submission of more high-quality proposals for projects to be managed in the future by the Organization.

## Notes to Financial Statements

Years Ended June 30, 2019 and 2018

---

### Note 1 – Organization and Summary of Significant Accounting Policies

#### Nature of Activities

California State University, Bakersfield, Auxiliary for Sponsored Programs Administration (Organization) was incorporated in the State of California on August 28, 2009. The Organization was formed and operated solely for the benefit of California State University, Bakersfield as a non-profit auxiliary organization. The Organization is responsible for the accomplishment of certain University objectives that require financial support not provided by the State. These activities occur in all aspects of University life, including the development and administration of sponsored grants and contracts for faculty and staff research and educational projects.

#### Basis of Presentation

The accompanying basic financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements have been met.

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### Income Taxes

The Organization is a qualified nonprofit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. However, the Organization remains subject to taxes on any net income which is derived from a trade or business regularly carried on and unrelated to its exempt purpose.

The Organization follows accounting standards generally accepted in the United States of America related to the recognition of uncertain tax positions. The Organization recognizes accrued interest and penalties associated with uncertain tax positions as part of the statement of revenues, expenses, and changes in net position, when applicable. Management has determined that the Organization has no uncertain tax positions at June 30, 2019 and 2018 and therefore no amounts have been accrued.

#### Accounts Receivable

The accounts receivable arise in the normal course of operations. It is the policy of management to review the outstanding accounts receivable at year end, as well as the bad debt write-offs experienced in the past, and establish an allowance for doubtful accounts for uncollectible amounts. A provision for doubtful accounts has not been established as management considers all accounts to be collectible based upon a favorable history over a substantial period of time. If amounts become uncollectible, they will be charged to operations when that determination is made.

#### Capital Assets

The Organization capitalizes all expenditures for capital assets in excess of \$5,000. Equipment and improvements are recorded at cost or at estimated fair value at date of gift if donated. Expenditures for maintenance and repairs are charged against operations. Depreciation is provided on a straight-line basis over the estimated useful lives of the assets of 3 to 30 years.

#### Deferred Revenue

Deferred revenue represents grant revenue received in advance.

#### Advertising

The Organization follows the policy of charging the costs of advertising to expense as incurred.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors  
California State University, Bakersfield, Auxiliary for Sponsored Programs Administration

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration (a nonprofit organization), which comprise the statement of net position as of June 30, 2019, and the related statements of revenue, expenses, and changes in net position, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 13, 2019.

**Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control. Accordingly, we do not express an opinion on the effectiveness of California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify and deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

**Compliance and Other Matters**

As part of obtaining reasonable assurance about whether California State University, Bakersfield, Auxiliary for Sponsored Programs Administration's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL  
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON  
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED  
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*, CONTINUED**

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.
