Date: Monday, February 16, 2026 2:05:15 PM

Dear CSUB Employees,

Exciting changes are on the way!

On March 23, 2026, CSUB will officially transition to the Common Human Resources System (CHRS) - a new and improved version of PeopleSoft used across the CSU.

CHRS builds on the foundation of our current PeopleSoft system, bringing a modern design, enhanced functionality, and greater consistency across all CSU campuses.

Everything from timekeeping and absences to benefits and personal information will be managed in one streamlined, user-friendly platform.

We recognize that navigating change can be challenging, which is why we invite you to participate in our upcoming training session, Adjusting to CHRS.

Rescheduled: All Employee on Wednesday, February 25 @ 2:00 – 3:30 pm. Please use the new link below to join.
