

Campus Culture Assessment Committee (ad hoc)

Announcement from President Harper (January 30, 2025): "The committee will evaluate CSUB's effectiveness in meeting the needs of the campus community in the areas of equity, inclusion and compliance. The ultimate goal of the committee will be to create a climate that empowers all individuals to feel as though they can be their authentic selves. The committee will survey the campus and conduct interviews of specific populations, among other outreach and research efforts."
