

All-University Teacher Education Advisory Committee (TEAC)

The University-Wide Teacher Education Advisory Committee, which is chaired by the P&VPAA, is charged with the responsibility to review all components of teacher preparation and to recommend policy and actions regarding these matters. Its recommendations for new programs and modifications to extent ones are reviewed by the Academic Senate and approved by the President before submission to the California Commission on Teacher Credentialing. Faculty is appointed by the Senate Executive Committee to serve two-year staggered terms upon recommendation by the Vice President of Academic Affairs.

Refer to the University Handbook 201.5.
