

University Review Committee (URC)

The University Review Committee provides a written recommendation regarding each applicant for retention, tenure, or promotion (Handbook 305.8 and following). No member of the URC may serve on a unit RTP committee.

Each member is given three WTUs of assigned time for their service each year of their service. If a committee member is awarded and takes a sabbatical during their term, they will forfeit their position on the committee and an election shall be run by the Academic Senate for a replacement representative to serve during the year of the sabbatical and complete any remaining term associated with the replaced position (University Handbook 202.4.1 and RES 212230; RES 232432).
