

## CAMPUS MASTER PLANNING COMMITTEE

The Campus Master Planning Committee is advisory to the President regarding all physical planning decisions on campus, including the initiation and siting of new buildings, roads, walkways, utilities, landscaping and alterations to existing structures, the scope and choices of building renovation and seismic projects, approval of the campus physical plan and plans for individual campus precincts, financing strategies for capital projects, and final approval of design for campus buildings. The Campus Master Planning Committee shall meet at least twice a year, once during the fall and spring semester, and any other time as needed as may be called by the chair or their designee.
