

INSTITUTIONAL REVIEW BOARD FOR HUMAN SUBJECTS RESEARCH (IRB/HSR)			
---	--	--	--

IRB/HSR consists of nine members with diverse academic and professional backgrounds. The membership must broadly represent a diversity in terms of gender and ethnic/cultural background with three members having responsibility for scientific concerns, a different three members having responsibility for non-scientific/humanistic concerns, and three community members who are not affiliated with CSUB. **On the recommendation of the AVP of Grants, Research and Sponsored Programs (GRASP), appointments are made by the Vice President for Academic Affairs in consultation with the Academic Senate Executive Committee for three-year terms.** Appointments are staggered, with approximately one-third of the membership newly appointed in any given year. First appointments are for one year, and after that, appoint for the a full three year term. This allows new members a trial of one year to see if they wish to stay on the board for a full 3 year term. By mutual agreement, members may be reappointed for an additional term. The Chair will be appointed by the Vice President for Academic Affairs in consultation with the AVP of Grants, Research and Sponsored Programs (GRASP) and the Academic Senate Executive Committee.
