Education Specialist

Credential

Mild Moderate Support Needs or Extensive Support Needs

The Education Specialist Credential programs are a professional preparation program accredited by the California Commission on Teacher Credentialing (CCTC) and Association for Advancing Educator Preparation (AAQEP).

Our programs prepare candidates to teach students with disabilities in a mild/moderate or extensive support needs in a K-12 classroom. Our teacher candidates are provided the tools to create diverse, equitable, and supportive learning environments with an integrative approach to theory and practice.

The program is about 50 semester units and an added authorization for early childhood is available for 9 additional units. Program courses begin in the early evenings and are held in a variety of formats.
