Verifying Program/Plan Information

You can view or update students' academic program, plan, sub-plan, and degrees from the Student Program/Plan pages. The pages display the program action, admit term, academic load, and other information.

1.	Navigate to **Records and Enrollment > Career and Program Information > Student Program/Plan**
2.	On the **Find an Existing Value** page, • Enter your search criteria to retrieve the desired student • Check **Include History** • Click Search
3.	The Student Program page appears. Click **View All** to see all program information.

4.   Click the **Student Plan** tab to view the student plan information.
